

2021-05-06 Start: 16:30 UTC **End:** 15:00 UTC

Participants: Arnold Nipper, Matt Griswold, Yolandi Robinson, Leo Vegoda

Agenda:

Note: We moved back to GoToMeeting because the organiser needs to start the Google Meet event.

- AC only issues - how to best handle?
 - Any committee reaching consensus on an issue in Github can do so internally (Consensus reached). The PC can override this if needed.
- [Carrier object - focus group](#)
 - Approach is OK. Move to scheduling and planning.
- [Geo search/interactions - survey](#)
 - Feedback will be shared on the draft after advanced search changes are released (Beta is 19 May).
- Any other business?
 - None
